

The Peoria Area World Affairs Council invites you to renew your membership, or become a member.

We invite you to join us as we begin another year of exciting and informative programs promoting a better understanding of world affairs and fostering a cooperative educational approach with area schools. For over fifty years the World Affairs Council, a nonpartisan, nonprofit organization, has welcomed all people who are interested in learning more about the world and how it affects us in Central Illinois. Your membership supports:

- **Speaker Series:** The World Affairs Council hosts a variety of programs, including World Affairs Fridays, Distinguished Speakers Series on the third Thursdays, and Global Peoria, an international news conversation on the second and fourth Thursdays. Ambassadors, statesmen, academics, authors, and other professionals address a wide range of international topics in an engaging format with open dialog. During this unusual time, all programs are being offered via Zoom, but we hope to resume dinner programs as soon as it is safe to do so.
- **Educational outreach** with area high schools, colleges, and universities. The World Affairs Council hosts an International Scholastic Bowl for area high school teams. Educational outreach also provides teacher training workshops and curriculum materials to prepare students for their future in the global economy. Students are invited to attend programs at little or no cost.
- **Other reasons to join or renew:** Publications discounts; subscription to the Daily Chatter e-news; weekly international news quiz; annual Members Appreciation party; receptions with notable speakers; discounts on programs and conferences; world travel program; and affiliation with the World Affairs Councils of America, Washington, DC.

We hope you will take advantage of all privileges of membership! Please contact us at (309) 677-2454 or visit our web site at www.pawac.org for more information.
